GROW YOUNGER
YOUR SECRET TO NATURAL
BEAUTY

KAMIRA Cosmetics is dedicated to creating unique formulas supported by science that nourish your skin giving it everything it needs to stay young and healthy.

Key features

Activates collagen production by restoring fibroblast function

Utilizes ingredients that boost effects of one another.

Stimulates the skin's natural regenerative ability

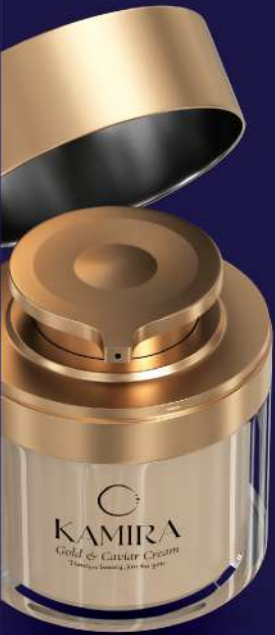

Minimal rejection due to biocompatible, safe ingredients

GOLD & CAVIAR RANGE

NO MORE DOUBLE-DIPPING

CONVENIENT SMART PACKAGING

Dipping your fingers directly into a product will introduce bacteria that will grow exponentially in the jar. A moist and warm environment is the perfect environment for bacteria to flourish.

KAMIRA's Gold & Caviar range eliminates the need to dip your fingers in any jar. Your full routine can now be bacteria-free. Our serum packaging gets refilled automatically once you close it to be ready for your next use.

Ingredient Spotlight

CAVIAR

Full Range Primary Ingredients

Gold

- Safeguards skin from free-radical damage, reduces inflammation and minimizes appearance of fine-lines and wrinkles.
- Improves skin firmness and elasticity and slows loss of collagen for a plump appearance.
- Enhances effects of caviar and hyaluronic acid.

Caviar

- Acts as an adiponectin inducer that inhibits UVB-irradiation-induced skin aging.
- Restores the normal hydration of skin cells that prevent signs of aging and protect against wrinkle formation.
- Promotes natural cleansing of skin by opening pores; thereby aiding in the restoration of radiant clear skin and cell regeneration.

Niacinamide

- Niacinamide includes immunity that helps build keratin, a type of protein that keeps your skin firm and healthy.
- Minimizes redness and blotchiness.
- Minimizes pore appearance.
- Protects against sun damage.
- Treats hyperpigmentation.
- Minimizes fine lines and wrinkles.
